

**Manor Hill First School  
Newsletter Friday 10th March 2017**

[www.manorhillfirstschool.co.uk](http://www.manorhillfirstschool.co.uk)

Dear Parents and Carers,

Thank you to all those who attended parents' evening on Thursday or have appointments booked in for next week, it's great to share news about the progress your children are making. We are very proud of them all.

Today marks 141 years since Alexander Graham Bell made the first telephone call. The children considered this and recreated that very moment in their assembly on Monday. They have been thinking about the technological advances made since then, what a very different world we live in today!

With that in mind we have included some information regarding Youtube overleaf, we know that many of the children have access to tablets and computers and that Youtube is a popular site for pupils to visit but would encourage monitoring the content that is viewed as we do in school.

Please note also the dates for parents or grandparents to join us in classes this half term, we look forward to sharing our learning with you.

Enjoy the weekend,  
Jess Roden

## **Parent Open Afternoons**

We would like to invite you to join your child for an afternoon of imaginative learning, these sessions will be practical and potentially messy, just the way we like it here at Manor Hill!

**Reception: Thursday 30th March 1.15-2.15 pm**

**Year 1/2: Friday 24th March 2.00-3.00pm**

**Year 3: Thursday 23rd March 2.00-3.00pm**

**Year 4: Tuesday 28th March 1.00-2.00 pm**

YouTube Kids limits the content and is appropriate for younger children instead of using the full YouTube service. It's free, no sign-up and it's multi platform.

### Request from Hillbillies

Do you have any spare boys trousers for nurse age? We would be most grateful!

### Red Nose Day March 24th

Red noses are now for sale at the school office priced £1 each. On the 24th of March we plan to have a wear something red day and ask for a donation to this worthy cause.

### Dates for your diary
