Dear Parents and Carers,

What a super first week back we have had! The children have returned beautifully and have started their new Imaginative Learning Projects with great enthusiasm.

Reception have been bug hunting and enjoying their woodland role play area too, I was blown away by the facts they shared with me about a variety of creepy crawlies!

Year 1 and 2 have had jam packed week based around their text *The Snorgh and the Sailor*, they received a visit from a real life Snorgh and had an exciting beach day with ice cream and a Punch and Judy show on Friday too!

Year 3 were most surprised when they came to school on Wednesday to find a crime scene in their classroom. The prime suspect *Gangsta Granny* herself came to visit on Thursday and received a real interrogation from the class. Great work Year 3!

Year 4 have been learning about the ocean and getting excited by *Captain Nemo's* adventure in *20,000 Leagues under the Sea*.

We love creative learning here at Manor Hill!
Have a lovely long weekend,
Jess Roden

School's Gotta Dance

Congratulations to the pupils who participated in the dance at The Gatehouse on Thursday Evening. You were all fantastic! The children danced to 'Can't Stop the Feeling' and even dressed up as Trolls. They will be performing again in next week's Celebration Assembly, we hope you can come and watch.

Online Safety

We continue to encourage you to be vigilant regarding the apps that your children may have on their devices.
We still have copies of the Online Safety advice guides available in the office.

Inspired to learn, learning for life.

We are proud to have begun work on our Core Values with the children.

The first value we are looking at is Collaboration.

Kindness, friendship and tolerance support all that we do. We communicate effectively and are thoughtful and considerate. We understand that by working together we are stronger and happier.

Please talk to your children about this value and we look forward to sharing our work on this with you.
