Manor Hill First School News

Friday 6th October 2017

Message from the Headteacher

Dear Parents and Carers,

As you will have seen this week we received our Ofsted Report. I do hope that you enjoyed reading about the details of the inspection and that you are as delighted as we are as Manor Hill has been graded as good. Our next stop is Outstanding and we are certainly going to work

hard to achieve that goal! I've had a super time listening to children reading this week, it is a pleasure to see the progress they are making and just how much they enjoy it. We ask that all pupils read regularly at home as this makes a huge difference to their confidence and progress in reading. I'm sure the love of read-

ing here at Manor Hill will be even greater after the redevelopment of our Library into Outer Space, well done to Harry for creating the winning design.

Have a wonderful weekend,

Jess Roden

Dates for your diary

October

- ☺ Monday 9th Reception open afternoon 2.15–3.15
- ☺ Tuesday 10th Y1 Open afternoon 2.15–3.15
- ☺ Wednesday 11th Y2/3 Open afternoon 2.15–3.15
- ☺ Thursday 12th Y4 Open afternoon 2.15–3.15
- ☺ Friday 13th Odd socks day
- ☺ Thursday 19th Harvest festival 2.00pm
- ☺ Friday 20th Inset day school closed

Uniform

A reminder that all pupils must wear their full school uniform every day. This must include a red jumper or cardigan, school style shoes and a tie. Additional items are not permitted.

Harvest Festival

Our Harvest Festival assembly will be held on Thursday 19th October at 2.00pm. We are asking for donations of food for Stone food bank.

Representatives will be at the assembly to accept the donations. A list of acceptable items is attached.

From the Office

Our new app 'Manor Hill first School' is available to download from iTunes and Google Play. We hope that the app will be a more efficient way to keep you informed.

News from Nursery

This week our bright beginners have been looking at the signs of Autumn. We made sun catchers with the leaves that we have collected outdoors. Our Early Explorers have been

learning about different shapes including a shape hunt around the school environment, constructing a fire engine outdoors and developing our fine manipulative skills by participating in activities such as threading Cheerios, playing connect four and screwing and unscrewing nuts and bolts.
