

# Manor Hill First School Newsletter Friday 23rd June 2017

<http://manorhillfirst.co.uk>

Dear Parents and Carers,

It's been a hot week and the children have been glad to see the cooler temperatures return. They have been incredibly sensible and calm and have impressed us all with the way in which they have worked so hard despite being warm and tired. They really do love learning!

The children have been busy practising for Sports Day, and are happy to be in their new house teams, see below for information on helping us name them. We have House and Vice Captains for each team and are looking forward to our first team event on Monday. Fingers crossed the weather is kind to us.

Both Year 3 and Year 1 have been out for their Cluster Visits this week, as always their behaviour was exemplary and they all enjoyed the opportunity to mix with children from different schools.

I must also congratulate the Key Stage 1 pupils that took the Phonics Screening Check this month, we really do have some super stars with phonics at Manor Hill, the children blew us away!

Thank you for the positive feedback regarding our class structure next year, we are looking forward to beginning our transition over the coming weeks and the children are all excited about moving into their new classes.

Have a super weekend,  
Jess Roden

## Team work makes the dream work!

We have introduced four houses, one of which every pupil will belong to. They are currently named Red, Blue, Green and Yellow but we know that we can be much more creative than that!

We are asking the children to nominate their favourite author, artist, composer and inventor. From these nominations we will be able to name the houses. It would be super if you can help them with this task at home.

We are very excited to find out who the children have chosen and why.

### Manor Hill Nursery

Places are becoming limited for some sessions in both the 2 and 3 year old provision. Please contact Mrs Wheeler if you would like more information regarding the Nursery.

### Uniform Orders

Uniform order forms are available from the office, To ensure delivery all orders need to be in by Wednesday 28th June

### School Garden

A big thank you to Mrs. Baines for her help in getting a Voucher for plants from Wilko's and thanks to all who have sent in plants for the raised beds.

We are still short of a few herbs if you have any.

Also thank you to those who have donated planters and fairy furniture, it's not too late if you want to send in some more!

### Books Amnesty

We are missing a large amount of school books .

Please can you search rooms, and bags for any books and return them to school as quickly as possible to help us get our Libraries restocked for the new school year.

Thank you!

# Summer Term dates for your diary
