# Manor Hill First School News

Friday 22nd September 2017

## Message from the Headteacher

Dear Parents and Carers,  
It's been a wonderful week here at Manor Hill. The children continue to impress with their excellent attitudes to learning and dedication to their work.

We are focusing on joining our handwriting as a school and I have been amazed at the number of children who have embraced this

and are producing wonderful cursive writing consistently. It just shows that we really can achieve anything if we try our best.

I am looking forward to presenting lots of Pen Licenses over the coming term and the introduction of our 'Golden Pen' award too.

A special mention from me to our Reception Class, the

way in which they have settled into school life and are tackling their work is just amazing. We are so very proud of them.

Have a wonderful weekend,  
Jess Roden

## Dates for your diary

- ☺ Thursday 12th Y4 Open afternoon
- ☺ Thursday 19th Harvest festival
- ☺ Friday 20th Inset day school closed

## Jeans for Genes

Thank you for helping to support this important charity. We raised £88.50. A great effort from all!

## From the Office

Children will be bringing home Data Collection sheets and consent forms on Monday. We ask that they are checked, updated as Necessary and returned as soon as possible to the office. Thank you.

## News from Nursery

In Nursery this week the 2's to 3's have been busy mark making and experimenting and making sounds with a variety of musical instruments.

In the 3's to 4's room we

have been focusing on the use of ICT equipment, blending and segmenting words, matching numeral to quantity, colour mixing and planting bulbs ready for spring.

We would be grateful for any spare socks, pants, wellies or baskets. Thank you.
