Manor Hill First School News

Friday 16th November 2018

From the Head teacher

Dear Parents and Carers,

What a wonderful week!

Year 2 were fantastic on their trip to Locksmiths House, they were a credit to our school and full of questions and answers!

Well done also to our football team for a great first match on Tuesday at Springfields First School.

On Wednesday we were superheroes and learned about Type 1 Diabetes from a visitor from JDRF. We are happy to say you raised over £200 pounds for this vital charity. I am always astounded by how supportive and generous our school community is and so proud to be a part of it, thank you!

We look forward to welcoming parents in to share our learning next week, starting with Year 1 on Monday.

Have a great weekend,

Jess Roden
