Manor Hill First School News

Friday 22nd March 2019

Dear Parents and Carers,

Thank you to all those who attended our open afternoons this week, what is so wonderful about our school community is that families support each other, meaning that all of the children were able to work with a parent, even if their own could not attend.

It has been a very exciting week in Early Years as they have hatched five baby chicks! They will stay with us for the rest of next week for the children to observe and care for.

A special thank you to Nursery this week for beginning to make the Manor Hill Mud Slide in Forest School, there will be lots of messy learning experiences to come from that I'm sure!

Have a lovely weekend,
Jess Roden

From the Office

If your child is unwell and will not be in school please ensure you contact the office each day of their absence to update us by 10.00am.

We are able to administer prescription medications to your child with your authority.
Please speak to us in the office.
