Manor Hill First School News

Friday 6th September 2019

Dear Parents and Carers,

Welcome back, we do hope that you had an enjoyable summer break. The children have returned wonderfully and are enjoying the new learning environments and coping well with the changes to the routine due to our building works.

We now have 122 pupils on our main school roll and a growing Nursery, which is the largest Manor Hill has been for some years, we are incredibly proud of the growth of the school and have very much enjoyed welcoming so many new families this week.

Thank you for your patience with the routines this week, the works are progressing well and we look forward to inviting you in soon to see the changes.

Please see overleaf for dates and information and do not hesitate to contact the school for any further clarification you may need.

Have a lovely weekend,
Jess Roden

Staying Safe

We have covered the importance of wearing bicycle helmets this week.

Get Set to eat fresh, Aldi and Team GB have joined together to improve the healthy eating habits of 1.2million children by 2020. The initiative creates free downloadable materials for teachers and parents to support young people in developing their understanding and love of fresh healthy food. Aldi are giving away free Team GB stickers when you spend £30 in store.

Alongside healthy challenges the school has the chance to receive sports kit and win £20,000!

Support us by dropping off your stickers at the main reception area.

Thank you
