Manor Hill First School News

Friday 8th November 2019

Dear Parents and Carers,

I must begin with a huge well done to Year 3, their assembly today with live science demonstrations was just fantastic, the knowledge that the children have learned about natural disasters will surely stay with them after such a hands on experience!

In other exciting news our new children's toilets are complete and our outdoor works will soon begin, hurray!

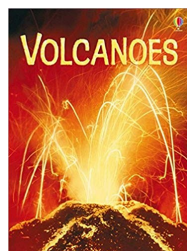

Finally, a thank you to the parents and family members who each week help us to put away our chairs! We couldn't do it without you.

Have a lovely weekend,

Jess Roden

Staying Safe

We have had several reports of vehicles parked dangerously, please park considerably at drop off and collection times.

From the Office

Thank you for sending money in marked envelopes. We remind those who may have missed it that we now require snack to be paid at the beginning of the week, in a named envelope with full requirements written on the front. We will carry any unused money over to the next week.

.....

We have had reports of lost property this week. Please can we remind you that we do our very best to locate items and it helps greatly if they are named.

Success for the Creative Learning Partnership Trust!

The Creative Learning Partnership trust was announced early this week as the successful sponsor after a competitive application process, appraised by a panel that included representatives from Staffordshire County Council, the Department of education, and the education and skills funding agency. The school is situated North of Stafford Town, which means that the highly successful Parkside Primary school, is ideally placed to be the partner school.

The trust and Parkside Primary will be working alongside Staffordshire County Council and the local community ensuring that the new school provides an excellent education for every child. It is anticipated that the Primary school will open to Nursery and Reception pupils in September 2020.
