## Manor Hill First School News

Friday 24th January 2020

Dear Parents and Carers,

The children have been superstars this week! We have completed our mid term quizzes and we are so impressed with how everyone performed!

The new outdoor area for Early Years is shaping up nicely, the children are fascinated by the builders and their machinery, we are so excited to see the final result!

We are looking forward to redeveloping our Library next week, Well done to Kier in Y4 for his winning entry, Extreme Earth Library, watch this space for volcanoes, tornados and lightning bolts!

Finally, you may have noticed the new 'Our Family Album' board as you come into school, we would love to share any snaps that you have of the children or even the whole family having fun outside of school, please send them in to us!

Have a lovely weekend,

Jess Roden

### Can you help?

We are looking for parents who could give some time to help listen to pupils read in school.

Parents would be placed in a different class to their own child and would receive full training from Mrs Harris. Ideally we would need the commitment of an hour per week to maintain consistency.

If you are interested please contact the school office in the first instance.

### From the Office

There will be no assembly or Football Club next week. W/C Monday 27th January due to Staff training

Time4Sport holiday camps limited spaces available at Manor Hill  
Please see Time4Sport website for further details
