20<sup>TH</sup> May 2020

## Staffing Structure 2020-21

Dear Parents and Carers,

Please find overleaf details of our staffing structure from September 2020-21. I wanted to provide this early in order that you can begin to talk to your children about who their teacher will be next year.

We won't be able to complete all of our usual transition arrangements this year but we will think of some creative ways to get in touch with the children and to help them prepare for their next class. We are also committed to celebrating the Year 4 graduation whenever we possibly can, we will hold a ceremony and party for them hopefully during the Autumn Term or when it is safe to do so. I will be issuing more guidance on the possible partial reopening of Manor Hill on 2<sup>nd</sup> June this Friday, please do look out for this letter and survey which should answer many of your questions. May I thank you all for your continued support and patience, the team are working incredibly hard to put plans in place during this very uncertain time.

With sincere best wishes,

Mrs J Roden
