Headteacher Update

Friday 3rd July 2020

Dear Parents and Carers,

September Information

As you will have seen in the news, guidance was released yesterday by the Government around the full opening of schools in September.

At Manor Hill, and in collaboration with the other schools in our Trust, we are formulating plans for our full reopening based on the guidance, which we will share over the coming weeks.

We do intend to open all classes from September and to reinstate our before and after school club, Hilltops, but need to look carefully at the logistics of this and what measures we will need to have in place. There will be some necessary changes and adaptations, but we will minimise these as much as we can.

As a team we are very much looking forward to welcoming everybody back to school and settling children into their new classes and routines.

Uniform Swap

Thank you for all of the contributions to our uniform swap. They will all be organised into ages and categories and put out on the carpark (weather permitting) on Tuesday 7th July 1-2pm for a 'grab and go' collection, please take what you need. If there are items left, we will do the same on Tuesday 14th July. We will also put aside any requested items for those who are unable to attend, please email us with what you require.

Reception Induction

Our induction dates and timings will be finalised and shared prior to the planned Zoom meeting for new parents on 8th July at 1pm, if you require the log in details for this but have not received them, please email the office.

Thank you for your continued support during this most difficult period for us all, I am so proud of our community at Manor Hill.

Sincere best wishes,
Mrs J Roden
