

17.9.20

Important Information

Dear Parents and Carers,

As you are aware under the advice of the Department for Education, following identification of a positive case of Covid 19 within the school, we have closed some school bubbles for 14 days.

In such testing times may I thank you all for collecting your children so swiftly and showing such understanding.

We are determined that this should have the least impact possible on the continuity of education and are prepared to move to remote education from tomorrow. The following plan is in place for the next two weeks for the children that are now self-isolating.

Remote Learning

If you do not have access to the internet or to a computer or tablet please let us know as we can provide paper copies of work for you.

Friday 17th September

Please access the Home Learning Pages on our website:

manorhillfirst.co.uk

Curriculum- Home Learning- select the relevant class.

Work will be posted here for you to access at home.

From Monday 21st September

You will be texted or notified on the app each day to tell you the teaching schedule.

Please access the Google Classroom by 9.15 and say hello on the stream. This will act as our register and if we do not hear from you on the stream we will call you later say hello instead.

A live lesson will be available at 9.30-10.30 and 11.00-12.00, it would be great if children could participate in these lessons with their class teacher.

In the afternoon follow up work will be available in the classroom for the children to access independently. During this time class teachers will be available to respond to any queries that you may have and to provide any support individually to children.

Siblings

Please note that we cannot allow any child that has been asked to self-isolate back onto the site to bring or collect siblings. If you cannot avoid this then we ask that you keep all your children at home and we will provide home learning resources for them.

School Meals

If your child is eligible for a Universal Free School Meal or a Free School Meal, there will be a meal available for you to collect from the school between 11.30-12.30. They will be made available in the school foyer and we ask that you maintain social distancing and wear a mask when they are collected. Children may not attend, if this causes a problem for you please contact us and we will try to help.

Please do not hesitate to contact the school should you require any support or further information.

Sincere best wishes,

Mrs Jessica Roden
