Manor Hill First School News

21st May 2021

Dear Parents and Carers,

We have been as busy as ever this week at Manor Hill First School. Year 1 pupils have transformed into News Reporters making very exciting videos reporting about the Space Race. Year 2 have been historians learning all about the changes over time of the British Seaside. I have thoroughly enjoyed reading Year 3's informative Robot User Guides. If you need a 'Key' creating for a map just ask our Year 4 Geographers. Reception have been writing excellent character descriptions of Handa and Nursery have been counting champions, gardeners, artists and much more!

I appreciate that it can be daunting trying to navigate apps, games and social media sites so here is a helpful link to provide guidance and support: <https://www.net-aware.org.uk/>

Thank you for your continued support and as ever, please do not hesitate to contact us if you need to.

Best wishes,

Lindsay Harris

Online Safety Accreditation

At Manor Hill, we are working hard to achieve a National Online Safety Accreditation. Part of this requires parents to sign up to the National Online Safety hub. If you are able to help us with this please click the link below:

<https://nationalonlinesafety.com/enrol/manor-hill-first-school>

You will be asked to sign up with your information and then will be asked if you are an 'Educator' or 'Parent' at the school, this will determine the courses you see.

You then need to click 'NOS Courses' down the left hand side to see the videos for "Online Safety for Parents (4-7)" and "Online Safety for Parents (7-11)".
