

Manor Hill First School News

11th June 2021

Dear Parents and Carers,

It has been an absolute pleasure to be back at Manor Hill this week after my time at Greenhall for the past term, it was a wonderful experience but I did miss the Manor Hill Family!

My thanks to Mrs Harris for leading so brilliantly in my absence and to the whole staff team for all their hard work.

I have been incredibly impressed with how the children have returned to school this week, their enthusiasm for learning, manners and friendships make me very proud. They have all grown and matured over the last term and I know that they are all excited to complete the summer term.

We are working hard behind the scenes to plan transitions, events and celebrations in line with the ongoing COVID restrictions. As soon as we can share any details of this we will. I know that 21st June is a significant date nationally, however I do expect restrictions to remain in school past this point and therefore our usual schedule of events will be altered still, we will do our very best to make as much happen as we can whilst keeping everyone safe.

A few of my highlights this week have been, meeting all of the new children properly who have joined over the last term, the school is fuller than ever now and Nursery has significantly grown too, welcome to all who have joined us.

I have very much enjoyed seeing all classes out of the field for either play, sports or forest school. This space is such an asset to us and very well loved!

Finally thank you to Year 4 who have completed a mini make over on the Nursery outdoor area and garden today, they worked their socks off all day! Thanks also for all of the kind donations of plants, seeds and pots; we really do have the most supportive community.

Have a lovely weekend,

Jess Roden
