

Manor Hill First School News

18th June 2021

Dear Parents and Carers,

It has been lovely to chat to so many of you on your way in and out of school this week, thank you for taking the time to stop and say hello and for your comments on our new Parking Pals, which hopefully will make our streets safer.

Year 4 made their transition visit to Middle School this week, their behaviour was exemplary and we know that they all feel better having had the opportunity to visit and are excited for their big move in September.

The children have had a wonderful week in all classes and I have been impressed by their enthusiasm and commitment to learning.

In Nursery the children have enjoyed tasting home grown cress and made their own sandwiches, they have also had some new balance bikes and shown off their skills of not only riding but sharing too, well done Nursery!

In Reception the children have been subtraction superstars and have used mini-beasts as a stimulus for their learning, just look at their work below!

Year 1-4 are focusing on the Art and Design block of the curriculum with skills including watercolour painting, multi media collage, clay modelling and designing and baking cupcakes this week, see below some of their wonderful creations.

Have a lovely weekend,

Jess Roden

Covid 19

- If your child or your household members have symptoms of Coronavirus then you are required to get a PCR test to check and you must **all** self-isolate until you get your result.
- We do ask that masks are still worn by all adults on school grounds.

Well Done Nylah!

A huge well done to Nylah in Y2 for being very generous, brave and thoughtful and donating her hair to The Little Princess Trust. We must say your new style looks fabulous!

Bikes and Scooters

Whilst it is super to see so many children coming to school on their bikes and scooters please may we ask that they are carefully supervised when riding up and down the path to prevent accidents.

Thank you

School End Times

A reminder of when each class needs to be collected. If you are more than 5 minutes late, children will be taken to the office to wait. Please call us to let us know if you are delayed.
