## Manor Hill First School News

### 17<sup>th</sup> September 2021

Dear Parents and Carers,

Week two at Manor Hill has seen our curriculum really start to fire up the children’s imaginations and enthusiasm for learning and with experiences such as making Gruffalo crumble, going back in time to 1819, making charcoal in our Forest and visiting London for a virtual tour, who can blame them!

A special mention to Y4 this week who were wonderful on their first swimming session at the Leisure Centre, you made us so proud with your resilience and super behaviour. Also thank you Y4 for accepting your new responsible roles, I know that you will all do a wonderful job helping us to lead the school this year.

Please do accept our apologies for the unforeseen technical glitches during our Meet the Parent Zooms, we will be sending all information out via letter. Should you require an appointment with your class teacher please do not hesitate to contact the office to arrange.

Have a lovely weekend,

Jess Roden
