Events 2021-22

Dear Parents and Carers,

I am pleased to be able to share with you a calendar of events for this academic year.

We have plotted as many events as possible based on the information that we have so far in order that you can put them into your diaries in advance.

We will of course add dates to the calendar as the year progresses, for example for class educational visits and individual class events such as forest school; class teachers will communicate these with you.

Just a reminder that we use several platforms to communicate information to ensure that we reach as many of you as possible, they include:

Our Website: www.manorhill.staffs.sch.uk (all letters are shared on the News page)

Piota App: search for Piota in App Store

Facebook page: Manor Hill First School

Facebook groups: for Bright Beginners, Early Explorers and Reception

Instagram page: manorhillfirstschool

Text2parents: Text message service for alerts and contact

Google Classroom: Teachers will post class based information in the stream regarding homework etc.

We are very much looking forward to resuming school life as much as possible this year and look forward to welcoming you back into school, Manor Hill's the place to be!

Yours sincerely,

Mrs J Roden
