Christmas Changes 2021

Dear Parents and Carers,

As we are experiencing an increase within the number of positive Covid19 cases at Manor Hill and given the recent information regarding the Omicron variant we have taken the difficult decision to cancel live performances of the Christmas Assemblies.

Instead all classes will record their performance and they will be shared on the school website for you to enjoy.

Whilst I know that this will be very disappointing for you all, I do hope that you understand the rationale, we are doing the best we can to minimise the spread of the infection and to prevent families Christmas plans from being disrupted.

We ask that you continue to seek a PCR test if you child becomes unwell and that they stay at home until a negative result is received.

The Friends of Manor Hill Team will offer the planned Christmas stalls and games on Monday 6th and Tuesday 7th on the Upstairs playground from 3.25-4.15pm we would appreciate your support in accessing them if you can, there are some lovely activities and great prizes to win, raffle tickets are also available from the school office.

Please do be rest assured that we will make the magic of Christmas as much as we can for the children in the coming weeks and thank you again for your understanding and support with these changes.

Kind regards,

Mrs J Roden
