### 11<sup>th</sup> March 2022

Dear Parents and Carers,

What a wonderful week we have had, the sunshine has brought a welcome brightness to the week and we are happy to see signs of Spring.

In our Key Stage Assemblies this week we learned about the significance of International Women's Day on 8<sup>th</sup> March, developing aspirations and acknowledging the wonderful work of women throughout history and today.

Bright Beginners and Early Explorers enjoyed a visit from the Farm on Wheels on Tuesday, they met some very friendly animals and even got to feed new born lambs and hold baby chicks. Well done children and thank you parents for supporting this visit.

We were so proud of the children who attend our Trust Maths Competition at Hempstalls Primary on Thursday, they were superstars and showed off their times table and number bonds skills brilliantly.

A huge thank you to our friends at Time4Sport for sponsoring our new sports strip for use in competitions, the children cannot wait to wear it!

Please see overleaf information on the events we have planned to welcome you back into school to enjoy assemblies and events.

Have a lovely weekend,

Jess Roden
