

Manor Hill First School News

18th March 2022

Dear Parents and Carers,

It has been a super week at Manor Hill and it really feels that we are in the full swing of Spring!

Early Years are enjoying the changing landscape of our Forest School as the weather warms up and we are starting to organise sporting fixtures with other schools for our teams.

The children have been true superheroes today raising £209 for Comic Relief with the sale of red noses and donations, we had a lovely day sharing jokes to make each other smile, all while remembering how important charitable acts are. We have happy Manor Hill hearts today.

This week all of the children enjoyed learning about the wonderful world of water with Severn Trent in a live stream assembly and Year 4 had a super afternoon with a representative from Western Power Distribution, learning all about Electricity and staying safe.

It was lovely to welcome parents back into school today for our assembly. Next week we have Mother's Day assemblies to share too, details overleaf.

Next week Year 4 will visit Cannock War Museum and Nursery are off to Amerton Farm, we appreciate all of your support to make these trips happen.

Have a lovely weekend in the sunshine,

Jess Roden

A Fruit Is A Suitcase For Seeds

Jean Richards

Lots of the children have been learning about plants and growing in Science.

This text is a beautiful exploration of how seeds grow.

School Uniform

We would appreciate any donations of outgrown uniform for our spares and our swap shop please.

A reminder that full uniform must be worn each day and that items worn for PE need to be in line with our kit list and not own clothes. Thank you
