

EYFS Links- Understanding the World

By the end of Reception we will have learnt how to:

- Discuss similarities and differences between themselves and others, among families, communities and traditions.
- Recognise their own cultures and beliefs and those of other people.
- Explore, observe and find out about places and objects that matter in different cultures and beliefs.

These early skills prepare the children so that in KS1 they can:

- Explore communities and traditions which are different from our own.
- Recognise the importance of different cultures, beliefs and traditions throughout the world.
- Use religious artefacts to learn about different cultures, beliefs and religions.
