Manor Hill's the place to be a champion

Dear Parents and Carers,

It has been a fantastic final week of this half term and we have certainly packed a lot in to it!

It was wonderful to see so many of you at Parent's Evening on Monday, I know that the teachers have enjoyed sharing your children's super progress this week either in person or over the phone.

Our Great Manor Hill Bake off was a huge success, thank you for all of the entries to this and thanks to those who purchased cakes too! The three top bakes were awarded with a baking prize, ready to use for the next one! Well done to Harrison, Hannah and Noah and Finley!

We have also announced our Scarecrow Competition winner this week, Paige's Sunny Scarecrow was the overall winner, but they were so good that all of the entries have received a watercolour painting prize too! Thank you to everyone who took part!

The Bright Beginners and Early Explorers had a wonderful spooky sensory workshop with their grown ups on Tuesday, thank you to everyone who came and to our fantastic team who made the activities so exciting.

We had a spooktacular time at our discos on Wednesday, the children's costumes were terrific and they really enjoyed letting their scary hair down and having a dance together!

Reception have continued the spooky theme with a Room on the Broom Forest School event today, they have made natural objects potions, broomsticks using sticks and twigs and completed a treasure hunt! It was super to welcome so many parents to join us!

Today we have rewarded the children in Y1-4 with a colour run, we had such fun being active and having a new experience! The children will certainly all need a long shower or bath this evening to wash away all the colour, and the teachers too! Thank you T4S for hosting this for us and providing all of the resources.

My thanks for all of your support this half term, enjoy a lovely week off and we will see you all on Tuesday 7th November.

Jess Roden
